

THE INDIAN COMMUNITY SCHOOL KUWAIT-JUNIOR

Dear Parent,

This circular is to give you a clear understanding on the ***TMA-Teacher Marked Assessment*** conducted by the school. The TMA is an online open book assessment to be taken by students of classes IV to VI. Kindly note details of the Teacher Marked Assessment:

- ❖ Question papers of Teacher Marked Assessment will be uploaded through the web portal www.icskcloud.com on Wednesday, March 18th 2020, wherein the last date of submission is Saturday, March 21st 2020.
- ❖ The objective of this assessment is to keep the students updated on topics and to maintain the continuity in the learning process, as many topics are conceptually basic and useful for understanding the subjects in the higher classes.
- ❖ The assessment is beneficial for all students who attempt it. However it is not counted as a promotion criterion to the next class.
- ❖ The assessment contains 25 Multiple Choice Questions for each subject, wherein the student has to click on the 'correct option' out of the four options given. The TMA will be taken separately for selected subjects:
Classes IV & V : EVS and Mathematics
Class VI : Mathematics, Science and Social Science.
- ❖ To access the TMA, go to '***Student Login***' under web portal www.icskcloud.com. Select the sub-menu '***TMA***' which lies on the left side below the sub-menu 'Circulars'. Upon following the instructions, student can access and attempt the question papers for the concerned subject. In case of difficulties during login, contact ***Mr. Rahul - 90058894 / Mrs. Kavitha – 66135791 or your respective class teacher*** for assistance.
- ❖ The TMA is based on final exam year's portion and will be valued by the school. Marks secured by the child in the TMA will be sent as notification to each child on Thursday, 26th March 2020.

I wish your ward success and sound health in the upcoming academic year.

Regards

Sherly Dennis
Principal
