Circular for Class 8D

Dear Parent,

As you are already aware the school has been able to begin virtual online classes due to the emergency situation prevalent in Kuwait. This has been the first endeavor in Kuwait wherein regular classes have been scheduled for students through the online platform. The classes will be regular from Sunday to Thursday with three periods and a one hour break in between.

Specific Instructions:

- Assignment worksheets will be sent every week by the subject teacher through icsk cloud. The student has to complete the assignments and submit the completed assignments within a week.

- Stay focused throughout the sessions. **No unnecessary chats or comments must be made during the class. All chats in Zoom are monitored by the school. Camera must be switched on throughout the class.** Students need to respond to the teachers as and when it is required. Parents should monitor and ensure that students are working closely with the school.
- Do not log in from multiple devices.
- We expect students to be well groomed and presentable during classes.
