Dear Parent,

As you are aware about the decision of the Government of Kuwait to extend the school closure from 12th March to 26th March 2020, kindly note the following matters:

- Final examinations scheduled from March 15th onwards stands cancelled.
- Annual Results for classes VI to VIII will be declared on 26th March 2020 on the basis of annual average scored by the student in the examinations already conducted in 2019-2020. Results can be availed through icस्कloud only by those students who have cleared their fees.
- In view of being up-to-date & maintaining the continuity of topics by students as they pass to higher grades, the school has decided to conduct an online “**TMA-Teacher Marked Assessment**,” for students of Classes VI to VIII. This is an assessment of 25 Multiple Choice Questions in Science, Mathematics and Social Science, to be compulsorily taken by each student and submitted on or before March 20th 2020 through icस्कloud.

Fee Counter and Uniform store will be open on Sundays to Thursdays from 4.00 pm to 6.30 pm. Kindly make use of online payment preferably.

Let us take all measures to unitedly counter the present emergency situation effectively. Thanking you for your kind cooperation.

Regards,

Dr. V. Binumon
